- No break is permitted during the Computer Based Examination

Examination Process

- The **questions will appear in English.**
- Every question is followed by 04 answer options. Choose the option that is most appropriate. Indicate your answer by clicking on the circle adjacent to the option you think is right.
- You can go to any question directly by clicking on the question number, which will appear at the bottom of the screen. The answered question number will be marked Green and the unanswered/ skipped question number will remain in blue.
- If you are doubtful of the answer, you can mark a question for review which is indicated with an arrow mark below the question number. This will be unmarked once you come back to the question and click on unmark review.
- If you want to change your answer to any question, you may select the question and change the answer by clicking on the appropriate answer.

- Each correct answer fetches 01 mark. **There is negative marking (Penalty) for wrong (incorrect) Answers (as detailed below) for all questions:**
 - (i) **There are four alternatives for the answers to every question. For each question for which a wrong answer has been given by the candidate, one fourth (0.25) of the marks assigned to that question will be deducted as penalty.**
 - (ii) **If a candidate gives more than one answer, it will be treated as a wrong answer even if one of the given answers happen to be correct and there will be same penalty as above for that question.**
 - (iii) **If a question is left blank i.e. no answer is given by the candidate, there will be no penalty for that question.**
- The Examination closes automatically once the allotted time of 120 Minutes is over.
- On completion of the examination candidate clicks the submit button.
